

1 **Subtract:**

$$400 - 100 = \underline{\quad}$$

2 Tina counted 53 strawberries and 29 bananas when she visited a fruit garden last week. How many fruits Tina counted there all together?

3 **Add:**

$$300 + 300 = \underline{\quad}$$

4 **Add:**

$$17 + 25 = \underline{\quad}$$

5 **Add:**

$$28 + 21 = \underline{\quad}$$

6 Laura counted 57 pears and 22 oranges when she visited a fruit garden last week. How many fruits Laura counted there all together?

7 Add:
 $39 + 10 = \underline{\hspace{2cm}}$

8 Add:
 $53 + 18 = \underline{\hspace{2cm}}$
