

1 **Subtract:**

$$50 - 10 = \underline{\quad}$$

2 **Subtract:**

$$50 - 20 = \underline{\quad}$$

3 Kate and Vidhi counted 56 apples when they visited a fruit garden last week. 45 apples were counted by Kate. How many fruits were counted by Vidhi?

4 **Fill in the missing number:**

$$536 - \underline{\quad} = 313$$

5 **Subtract:**

$$60 - 30 = \underline{\quad}$$

- 6 Laura and Minu counted 77 bananas when they visited a fruit garden last week. 55 bananas were counted by Laura. How many fruits were counted by Minu?

- 7 Sanchi and Kate counted 81 bananas when they visited a fruit garden last week. 52 bananas were counted by Sanchi. How many fruits were counted by Kate?

- 8 **Fill in the missing number:**

$$500 - \underline{\quad\quad} = 220$$
